

# Connect the Dots

*Conversation Starters (For Families)*

- Why is it important that girls and boys both get to use their gifts?
- Have you ever heard a woman preach or lead worship?
  - What gifts has God given you?

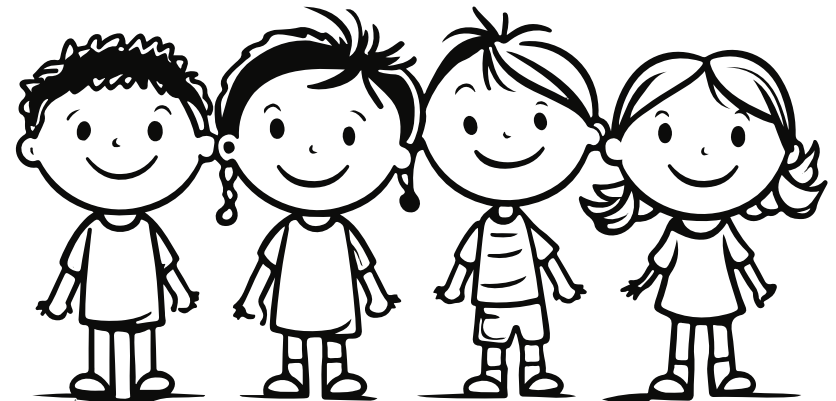

## Kids Can Advocate Too!

Each March, Baptist Women in Ministry celebrates BWIM Month of Advocacy — a time when churches and families encourage and support women in ministry.

That means we celebrate women who:

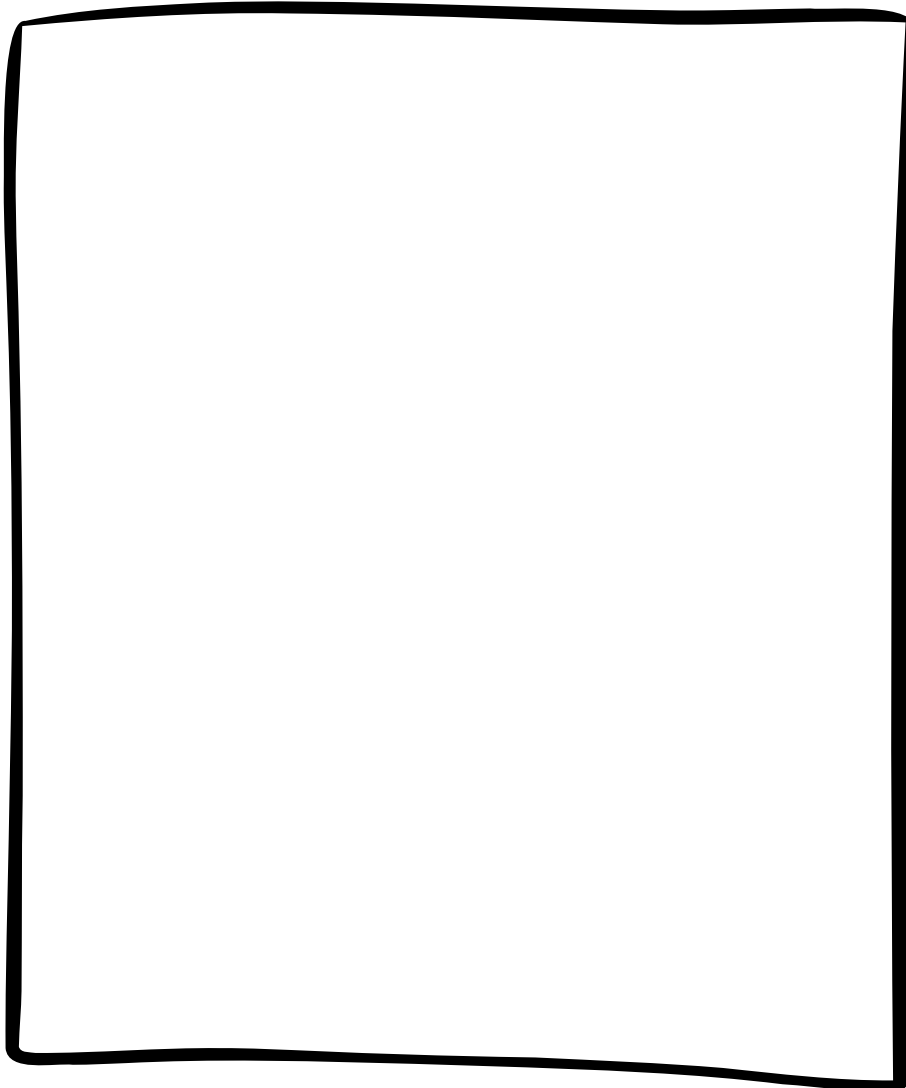

- Preach
- Teach
- Lead
- Care for others
- Serve God in many ways

God gives gifts to everyone!

# Draw a picture of a woman serving God.

(It could be a pastor, chaplain, missionary, teacher, deacon, or someone you know!)
