

BWIM MONTH OF ADVOCACY

Whereas

[YOUR CHURCH] has a history of ordaining women to the Diaconate, calling women to all offices of leadership and ministerial positions within the church, including Pastor, and listening to women preach the good news,

Whereas

Jesus worked with, empowered, and entrusted women with the care of God's people, and called on women to be the first preachers of the Resurrection,

Therefore we proclaim

emphatically as a congregation that we support, affirm, encourage, and advocate for and on behalf of women serving in all forms of leadership and authority roles in ministry.

**We believe God calls women to all places of leadership
and service in Christ's holy Church.**

[DAY, MONTH, DAY, YEAR]

Voted upon favorably by [YOUR CHURCH] membership in a special called business meeting, attendees listed below. Friends of [YOUR CHURCH] are also invited to sign in support of this proclamation.
