

Lead the Way!

Find your way through the maze. Along the way, you'll see ways to lead change. When you reach the church, you'll see how small actions can make a big difference!

When we lead in new ways,
we help others see what is possible!

TALK ABOUT IT (for families)

What is something you would like to make better at church, school, or home?

Who is a woman you have seen lead?

How can you help someone else have a chance to lead?

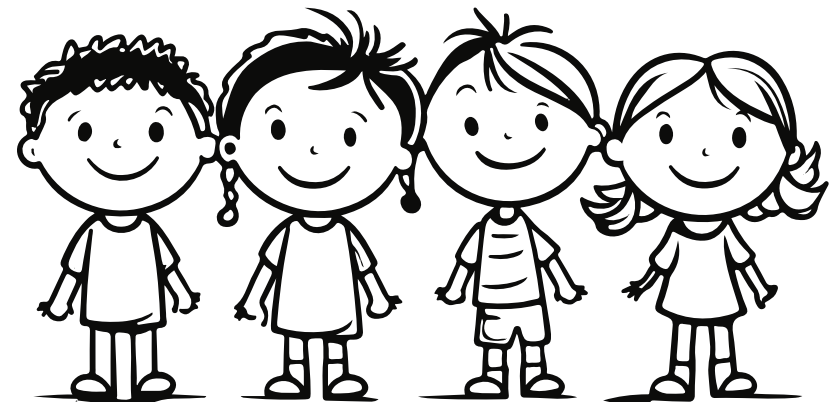

BWIM MONTH OF
ADVOCACY

Kids Can Lead Change Too!

Each March, Baptist Women in Ministry celebrates BWIM Month of Advocacy. This year's theme is Leading Change.

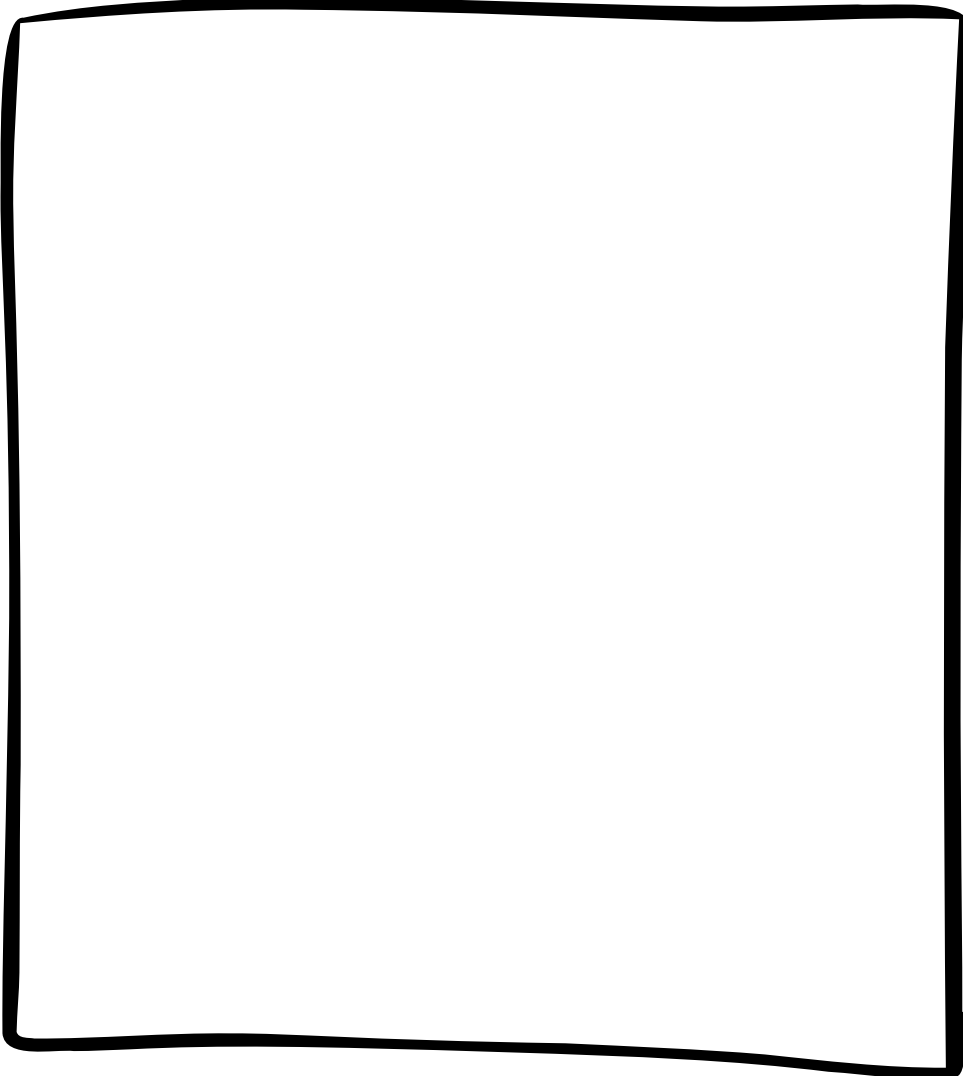

Leading change means helping make things better. We can make room for new leaders, encourage other people to use their gifts, speak up when something isn't fair, and show others new possibilities.

Kids can lead change too!

Who Can Be a Leader?

Draw a picture of people leading in your church.
Who might preach? Teach? Pray? Welcome people?
Make decisions? Care for others? Lead music?
God gives many different people gifts for leadership.
